WASHINGTON, D.C. 20510

RG-2

FEB 16 1994

Sonya M. Vazquez
National Republican Senatorial
425 Second Street NE
Washington, DC 20002

Identification Number: C00027466

Reference: August Monthly Report (7/1/93-7/31/93)

Dear Ms. Vazquez:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. The Act precludes a political committee which is established and maintained by a national political party from accepting contributions from a person other than a multicandidate political committee, in excess of \$20,000 in a calendar year. (2 U.S.C. §441b(f) and 11 CFR §110.1(c))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of \$20,000 or, if appropriate, seek reattribution of the contribution pursuant to 11 CFR §110.1(k). Alternatively, if you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests. (11 CFR §§103.3(b) and 110.1(k))

Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or transfer-out. In the best interests of the committee, all refunds, reattributions and transfers-out should be made within sixty (60) days of the treasurer's receipt of the contribution. See 11 CFR §103.3(b). Refunds and transfers-out should be disclosed on a supporting Schedule B for Line 28 or 29 of the report covering the

period during which they are made. Reattributions are reported as memo entries on Schedule A of the report covering the period during which the authorization for the retribution is received.

Although the Commission may take further legal steps regarding the acceptance of an excessive contribution(s), prompt action by you to refund, seek retribution and/or transfer-out the excessive amount will be taken into consideration.

-The limitation on making coordinated expenditures on behalf of a candidate for the 1993 Texas special election is \$716,281.00. Your reports, however, disclose coordinated expenditures made on behalf of Kay Bailey Hutchinson totalling \$1,257,183.97, which appear to exceed the limitations under 2 U.S.C. §441a(d) (pertinent portions attached). If the Texas State Republican Central Committee has designated your committee to use any portion of its coordinated expenditure limit, please provide the Commission with a copy of this authorization.. If you have made an excessive coordinated expenditure, the Commission recommends that you notify the candidate and request a refund of the amount in excess of the limitation. Any refund should appear on a supporting Schedule A for Line 16 of your next report.

If the coordinated expenditures in question were incorrectly reported an/or you have additional information, you may wish to submit documentation for the public record.

Although the Commission may take further legal steps concerning the excessive coordinated expenditures, prompt action by you to obtain a refund will be taken into consideration.

-The debt schedule (Schedule D) discloses a \$400,494.49 payment this period to Signet Bank; however, there are \$137,818.54 in payments reflected on the disbursement schedule (Schedule B and H4). Please clarify this discrepancy.

-Your report discloses an apparent contribution(s) from a corporation(s) (pertinent portion attached). You are advised that a contribution from a corporation is prohibited by the Act, unless made from a separate segregated fund established by the corporation. (2 U.S.C. §441b(a)) If you have received a corporate contribution(s), the Commission recommends that you refund the full amount to the donor(s) in accordance with 11 CFR §103.3(b). Alternatively, if you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you

inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests.

Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or transfer-out. In the best interests of the committee, all refunds and transfers-out should be made within thirty (30) days of the treasurer's receipt of the contribution. See 11 CFR §103.3(b). Refunds and transfers-out should be disclosed on a supporting Schedule B for Line 26 or 22 of the report covering the period during which they are made.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information.

Although the Commission may take further legal steps concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

sincerely,
